Title: INTERNATIONAL SOLIDARITY MOVEMENT (ISM);
TERRORISM ENTERPRISE INVESTIGATION (TEI)
OO:LA

Synopsis: To advise all field offices of the opening of
captioned [REDACTED] by the Los Angeles field office.

Details: The International Solidarity Movement (ISM) claims to be a "Palestinian-led movement of Palestinian and international activists working to raise awareness of the struggle for Palestinian freedom and an end to Israeli occupation" (quoted from palsolidarity.org, ISM's official website).

ISM states that it "utilizes nonviolent, direct-action methods of resistance to confront and challenge illegal Israeli occupation forces and policies....we recognize the Palestinian right to resist Israeli violence and occupation via legitimate armed struggle." "This movement aims to support and strengthen the Palestinian popular resistance by providing the Palestinian people with a resource,

[redacted] "The Palestinian Chronicle Weekly Journal," "The Palestinian resistance must take on a variety of characteristics - both nonviolent and violent. But most importantly it must develop a strategy involving both aspects. No other successful nonviolent movement was able to achieve what it did without a concurrent violent movement....the Black Panther Movement and its earlier incarnations existed side-by-side with the Civil Rights Movement in the U.S."

ISM STRUCTURE

ISM claims to be a movement, not an organization, and welcomes all organizations, groups, and/or individuals who agree with ISM's principles.

ISM organizes direct actions in Palestine and coordinates the travel and activities of "internationals." Internationals are simply people from any country (including U.S. citizens) who support ISM and are willing to travel to Palestine and engage in direct action such as dismantling roadblocks, intervening at Israeli checkpoints, commandeering checkpoints, and serving as a human shield for Palestinians. ISM hosts "Campaigns against the Israeli occupation of Palestine." The first campaign in Palestine was in August 2001, and a "Summer Campaign" in Palestine has been organized by ISM every summer since, and the next campaign in Palestine is being held from June 25, 2004 - August 19, 2004. ISM campaigns are not limited to the summer time, others have been hosted throughout the past years.

Title: INTERNATIONAL SOLIDARITY MOVEMENT (ISM);
TERRORISM ENTERPRISE INVESTIGATION (TEI)
OO:LA

Synopsis: Document article on ISM activity in the Palestinian Territories and potential terrorist associations.

Attachment(s): Copy of "Solidarity with Terrorists", Front Page Magazine, April 17, 2003, written by Greg Yardley.

Details: An article on FRONTPAGEMAGAZINE.COM entitled "Solidarity with Terrorists" and written by GREG YARDLEY was published on April 17, 2003. The article discussed the author's belief that the INTERNATIONAL SOLIDARITY MOVEMENT (ISM) was involved with the Palestinian terrorist groups ISLAMIC JIHAD and HAMAS. RACHEL CORRIE was an ISM activist from the U.S. who was killed in Rafah on March 16, 2003 when she was run over by an Israeli bulldozer while acting as a human shield. The ISM claimed that CORRIE was killed deliberately as she tried to protect the home of the family of a Palestinian suicide bomber. The Israeli position was that the operator of the bulldozer did not see CORRIE and the incident was an accident. According to YARDLEY's article, an Israeli Consulate media officer in San Francisco stated that "the bulldozer was not even attempting to raze a home - just removing shrubbery used to hide a tunnel." YARDLEY also stated that tunnels such as this one are used to smuggle weapons across the Egyptian border to HAMAS and ISLAMIC JIHAD.

On March 27, 2003, the Israeli Defense Force (IDF) was pursuing [redacted] a member of ISLAMIC JIHAD who had recruited several suicide bombers. [redacted] fled into a building that housed the Jenin office of the ISM. After the
